GO GREEN!

Grand Geneva Resort & Spa

Learn all about the green initiatives at the luxurious Grand Geneva through their walking tour. A hotel representative will tell you about what they're doing to combat pollution and wasteful use of our natural resources. Afterwards you'll grab a green themed lunch from the Grand Geneva Café.

Lake Geneva Canopy Tours

After lunch, get ready for some more adventure with this fun and exhilarating 2 1/2 hour Eco-Adventure. This NEW attraction gives thrill seekers and nature lovers alike a unique opportunity to zip through the trees on a network of cables and SkyBridges high above the forest floor while getting a history of the area from guides.

Northwind Perennial Farm

Northwind Perennial Farm is a local landmark and a premier destination spot for gardeners and lovers of nature alike, offering an uncommon selection of hardy field-grown perennials, native plants, ornamental grasses, shrub roses, garden accents and landscape design services!

Pesche's Greenhouse

20+ Greenhouses on 10 acres of land, this is sure to impress! With workshops available and their gift barn overflowing gifts & décor, this is a great place for groups looking to work their green thumb!

Lake Geneva Pie Company

Next stop, DINNER! Lake Geneva Pie Company has won nationally recognized awards for their tasty pie, but make sure you eat dessert last. From deli sandwiches, quiche, or even chicken pot pie, it's sure to put a smile on everyone's face!

**Delivery to your location available*

MoonStar Farm

Free-range chickens, grass fed beef and goats, and delicious produce are their specialty. MoonStar Goat Milk Soap and Lotions, original watercolor prints, note cards and fiber arts are available for purchase. Tours run about 2 hours, and groups will experience The Garden Tour, The Pasture Walk, Mixed Species Grazing, Soap Demonstration, Goat Milking Demonstration, and Herding with Border Collies!
